

“We know you love Your Dogs !”

There are 6 Public footpaths in our village for your dogs to enjoy. Roman Bank has one at the top and one at the bottom, and these are accessed via Little Woodgate or up by the school.

Another path at The Still brings you on to Gadds Lane.

From Horseshoe Terrace, the path goes along fields near the river bank and brings you out along Sutton Road.

There are also 6 public green areas but this does not include the Foal Ground Family Park.

Please keep your dogs out of play areas. Dog faeces can be life threatening to children and insurance claims against careless owners have trebled this last year.

Love your dog but

PLEASE KEEP OUR CHILDREN SAFE.

If you would like a map of the paths, please get in touch with the clerk.
