

## Interring the ashes of your loved one.

With the sadness of losing a loved one, many people do not realise that they have a number of options for the interment of the ashes in a chamber in the Leverington Parish Cemetery.

\*

1. Of course, Most people have the ashes interred by the funeral Director, with the vicar present to give the words of the Holy Scripture and say a prayer
2. Some families do not have the vicar present, just the funeral director's representative to inter the ashes.
3. Others bring along the ashes of their loved one, and the Burial Authority representative says a few words and inters the ashes.  
(no charge for this).  
Contact the Council direct to do this.
4. It is also permissible for a family to inter their own ashes as long as the Burial Authority representative is present to see that the ashes are interred.  
( no extra charge)  
Contact the Council direct to do this.
